To the organizers of the Dog Dancing World Championship 2020

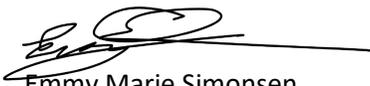

At the FCI Dog Dancing Commission's online meeting held on 4th and 5th June 2020, the commission discussed the World Championship 2020 in the light of the current Corona situation.

The discussion was based on a request from Corinne Medauer, who asked the commission for advice on whether to implement or cancel the event.

It was with a heavy heart that the FCI Dog Dancing Commission had to advise the FCI to cancel the Dog Dancing World Championship 2020 and we look forward to return to France for the World Championship 2022 in Paris.

We thank you for all the work you already put in the World Championship 2020 and for your willingness to be the host of this event.

Kind regards

Emmy Marie Simonsen
President of the FCI Dog Dancing Commission
